

Intensive Care Unit

About Our Team

The Intensive Care Unit is an 18-bed unit with a 2:1 patient: nurse ratio. Our unit also is designated to accept stroke and neuro patients. We are proud to announce that our unit received the Beacon Award for Critical Care Excellence from the American Association of Critical Care Nurses. The award recognizes the nation's top hospital critical care units that exhibit high quality standards, exceptional care of the patients and their families and healthy work environments.

New Technology

- ICP Express Pumps
- 5VO2 Modules
- B15 Modules

Vital Stats

We offer the following services:

Our Team Members

"I take pride in my job!"

"Co-workers and patients are treated with respect and dignity. We all work as a team to get the job done."

"I take pride in seeing patients walk back on the unit to say thank you for saving their lives."

"I am proud of the standards of care here in the ICU."

"I enjoy giving excellent care and compassion to my patients and involving the patient's family in the patient's plan of care."

A Word from Our Manager

"Each individual makes us a strong team and our team makes each of us strong."
