

Progressive Care Unit (5NW)

About Our Team

Our team on the Progressive Care Unit consists of R.N.s, LPNs and support staff. We offer a flexible schedule to meet the needs of today's health care professional.

New Technology

- Future plans for renovation of entire nursing unit
- Continuous video EEG monitoring

Vital Stats

The Progressive Care Unit (PCU) is a 33-monitored bed unit on 5NW. The most frequent diagnoses in this unit are cardiac dysrhythmias, CHF, stroke, renal dialysis and GI.

Our Team Members

Here's what some of our team members have to say:

- "Team members work together on PCU."
- "We have fun here."
- "I like the challenge of meeting the variety of individual treatment needs of our patients."

A Word from Our Manager

"I am inspired every day by the dedicated expert care given by the team members on PCU." –Lorri Pilcher
